

February 26, 1920.

Memorandum for Mr. Scudder:

In order that the report of "Alaska Fisheries and Fur Industries in 1919" may correctly show the status of firms engaged in fishery business in Alaska, it is desired that you ascertain from the Territorial Treasurer whether a license was issued to the Abercrombie Packing Company to cover operations at the Abercrombie cannery on Copper River in 1919, or to F. H. Madden. If to the latter, is that the name of an incorporated company, a copartnership, or an individual?

Make a prompt report on this matter.

Ward J. Bower.
